

March Classroom Times

Mrs. Cheryl Sharadin's and Mrs. Hook's M-W-F Fours

Spring will be a welcome sight after this cold, rainy, snowy winter. As the students anticipate spring and discover signs of spring, they will have many opportunities to make daily observations of the weather. Will it be a lion or a lamb day? Hopefully more lamb than lion days. The boys and girls are really working hard with their letter and number writing. Many are beginning to make the letter sound connection. Please have them continue practice writing letters and numbers at home. Give your child opportunities at home to practice their scissor cutting skills as well.
