

Classroom Times

Ms. Carmella ~Threes ~ April 2024

Look What We've Been Doing

March has flown by like the wind and we are all anticipating warmer Spring days ahead. The children enjoyed searching for signs of spring on the days that we were able to have outdoor recess and even found a couple flowers popping up their heads! We had fun keeping track of the weather and deciding if it was a Lion or a Lamb Day. Everyone enjoyed reading the Dr. Seuss books and making the big hat on the door. Thank you for sharing books and sending the stripes for our hat. The Leprechaun visited our room and had the children very excited to see if he was in the trap we built. Our classroom was covered in glitter & shamrocks on the floor and we found a hidden treasure!

April Showers

In April we will plant seeds that I've collected from flowers in the fall, discuss Earth Day and recycling, count the rainy days and explore our 5 senses. Please send weather appropriate change of clothes and have your child wear a light jacket to school each day so they are prepared for outdoor recess.

Important April Dates

Weds.4/17 & Thurs.4/18 - Picture Days, complete the attached form and return by 4/15
5/15 & 5/16 - Last Days Of School & End of the year programs ... more information to come.

Help Wanted for Earth Day

APRIL - Please send a short list of ways your family Recycles, Reduces and Reuses items from home, we will discuss this during circle time.

*** Also please send any round plastic lids from applesauce or other pouch snacks. We will make a caterpillar with these reused lids.

☺Thank you for your help and for sending in the needed items ☺

* Happy Summer Birthdays *

☺ Leo, Hayden, Aubree and Will ☺
