

# May Classroom Times

2024 Mrs. Cheryl Sharadin and Mrs. Hook's M-W-F 4s

It is hard to believe that it is the last month of school! It has been a joy to teach your children. I know for many of the boys and girls this was their first school experience, and they did so well! They all were eager to start their day and to see their friends. I am thrilled with all the progress they have made this year, and they have bonded so nicely with their classmates. Many new friendships were forged. This time of year is always somewhat bittersweet for me. I will miss them but am excited for them as they move on to kindergarten in September.

Be sure to review letter recognition over the summer and practice letter writing, both uppercase/lowercase letters and counting. Do not forget TCNSK Discovery Summer Camp...this is another great way to stay in touch with their friends and have a lot of fun as well! Check the TCNSK website for camp weeks and with Mrs. B for week availability.

I hope you and your family have a wonderful summer. Thank you for all your support this year in so many ways!

## Things We are Learning this Month

Letter and number review

Planting

Pond Life

Mother's Day
