

# Classroom Times

Ms. Carmella ~ MWF & T-Th 3s ~ May 2024

## This Year Has Been a Success and lots of fun!

It is hard to believe that we are quickly approaching the end of our school year. I have watched your little ones grow and mature over these past months, becoming more self-confident while learning new skills. They love Lil Sports & yoga classes, art projects, outdoor play, and snack time. We have gone on bug hunts, bear hunts, treasure hunts and egg hunts plus nature walks and litter pick-up mission too.

During the last several weeks we have patiently awaited caterpillars turning into butterflies and seeds turning into flowers. I hope you and your child have enjoyed this past school year as much as I have and will count the 2023 -2024 school year as a great success. Thank you for the support and partnership in your child's early education. Sincerely, Ms. Carmella 😊

## Congratulations to our 2023 - 2024 Threes Program Graduates:

Hunter Anderson James Barber Miles Bretschneider Isabella Cesare  
Josephine Dzwonek George Evans Rihaan Jayaprasanna Hayden Lannutti  
Theo Lorenc Elliana Natale Isabelle Robertson Aubree Russell  
Teddy Schwendinger Leo Scipioni William Sorom
