STEWARDSHIP TEAM THANKS YOU

The Stewardship Team would like to thank everyone who recently completed the **Trinity Talent Pool** survey. The results revealed the many and diverse talents that exist among Trinity members. Members report that we are passionate about issues and causes such as the environment, women's issues and animal welfare, just to mention a few. We have members who have varied experience in diverse fields including teaching, medical care, spiritual care, and a range of business expertise. We are not only serving Trinity, but also are involved in community organizations beyond the church walls. The Stewardship Team is reviewing the results and we will keep you posted as we proceed with our work. Many thanks to Trinity members!
