

Classroom Times January 2025

Older 2s MWF and TTH Classes

Our class had a wonderful December enjoying all of our Christmas activities, Chapel time, Bible Buddies, crafts and songs! We hope everyone had a peaceful and fun holiday break. We hope for a "mild" January so we can play outside each day but would love to see a "little bit" of snow so we can possibly *play* in the snow together too. Our classes have been singing the Days of the Week song since September, it's now time to start learning the Months of the Year. The children will also learn about Martin Luther King Jr., Animals in the Zoo, and The Five Senses this month. We look forward to meeting with you during our Parent/Teacher Conferences this month to discuss your child's progress.

Things We Are Learning This Month
