January 2025 Mrs. Booz and Miss Michele 4s PreK Class

**Happy New Year!** We hope that you had a wonderful break and holiday season. We have missed the children and can't wait for all things 2025 with our PreK class. The children have grown, each in their own way, we will have a chance to talk about that at our conferences this month. Pre-Conference forms will be distributed soon, and an email will be sent out with more conference information. It would be great to meet with each one of you to discuss your child and their accomplishments.

December was so much fun preparing for Jesus; the children were just delightful singing songs, playing bells, and reciting excellent poetry, they make us smile!

We bring in the new year with winter animals and life in Antarctica and end the month with some prehistoric discovering. We look forward to some new ways to enjoy being creative and letting the children explore other ways to share their love of Art. We will continue to work on the alphabet and beginning and ending sounds and practicing forming the letters, upper and lower case. Thank you for being here at TCNSK!

Some Themes for this month will be:

Penguins, Polar Bears,  
Winter Weather Science  
Kindness, Sharing  
Prehistoric discoveries

Things to know:

Pre-Conference Forms will be distributed on January 6. Please complete and return it as soon as possible but no later than 1/15/25.

Our annual "Cy of Relief" winter coat & sock drive was a great success! Thank you for supporting all things TCNSK. We are so grateful!
