

Classroom Times

Ms. Carmella ~ MWF and T/Th Threes Classes ~ January 2025

Happy New Year!

Look What We've Been Doing!

In December we were busy little elves preparing for the wonderful Christmas holiday. We learned about Jesus' birth, Santa, and Silly Elves. We made beautiful crafts and ornaments for our parents while practicing for the pageant at every opportunity & everyone did a great job, I hope you enjoyed it 😊.

This month we will review the skills we have learned since September to complete the progress reports. We will make a Name Snowman, discuss what animals do in winter and make colored ice to paint with. We will make little surprises to show kindness in honor of Dr. Martin Luther King Jr. as we tip-toe around the school hanging little notes on the other classroom doors. Each day during circle we will discuss ways in which we can be kind and accepting towards others and get to know people who are different than us. We will continue name recognition & spelling, shapes, numbers, counting to 20 and Scissors skills. **** Look for information about our 100 Day Party this month! Collect 100 items that your child will bring to school and share with friends 😊**

Reminders

- *Warm coats, hats and mittens are needed each day so the children are prepared for outdoor recess as the weather permits, you may keep a hat and mittens here at school if you'd like.
- *Your child's Helper Day is also their show-n-tell or share a book day. They may bring One Book OR One favorite item from home to share with the class. Help your child to prepare as the other children will ask questions about their item.
- *Birthdays are posted on the calendar, check for your child's celebration day.

Parent/Teacher Conferences

TCNSK will have no classes on January 20 and 21. On the 21st I will be holding conferences from 8am until 2pm. Please be sure to sign-up for your conference. The times are in 15-minute increments, if there is not a good time for you please email or phone Mrs. B. to discuss another possible option.

Small Group Activities

The children will begin working in groups of 2, they will have the opportunity to play with new toys, manipulatives and friends, they will switch centers at a given time. I will also use this time for individual lessons with the students.

We will celebrate Rip's December Bday and January Birthdays for Sienna, Gianna & Ms.Susan!

😊 HAPPY and HEALTHY 2025 TO ALL 😊
