

Philosophy:

The purpose of Trinity Country Nursery School is to serve as a community outreach and provide a Christian early childhood setting in which children are helped to grow, learn, and develop physically, socially, and emotionally.

Special Features:

- *Small group instruction to maximize attention to each child.
- * Large indoor play space and outdoor playground to ensure gross motor activities daily.
- *Christian based religious themes included in instruction time.
- *Child centered program taught by dedicated, kind and loving staff members.
- *Developmentally appropriate life skills taught as part of the curriculum each day.
