

PRE SCHOOL NEWS

March 2025 4s 5-day PREK Mrs. Booz and Miss Michele

We had such a fun February celebrating our 100th day and Valentines but March is sure to bring even more learning and excitement. We love the mild weather but maybe one good snow would be nice? The children give that a thumbs up! March will surely bring us changes around us and we will be paying close attention to signs of new life as we embrace the Easter season. We will take some short nature walks and listen for the birds chirping! Speaking of chirps... we have our chick hatching program happening now, we are sure to have some baby chicks by the first weeks in March.

March is full of excitement from tracking the leprechaun and learning about light and rainbows to celebrating new life but the most exciting event this month will be our "Donuts with Grown Ups", on Thursday March 13, 2025 at 9:15am. We invite one Grown up to come and join us for an hour or so in the classroom to enjoy seeing your child in action, sharing a craft and some other special surprises! We hope you will join us! As schedules may be complicated, we welcome grandparents, uncles or any special human in your life to come in and join the fun. We welcome you to stay as long as they want but most are off to work by 10am. Please let me know if someone can attend or if you have any questions/concerns. The children are doing well with simple math using some great manipulatives like blocks and pennies, sometimes a fruit snack and also forming letters and numbers. We are going to talk more money this month, with gold at the end of the rainbow. We will keep practicing the value of our coins.

As if this isn't enough joy! We would like to extend an invitation to each of you to be a guest reader. Look for the sign up and more about the program outside the classroom and in your email. It is sure to bring love, laughter and learning to our room! It is still going to be chilly often, please remember to dress for the weather as we plan on going outside daily. We can always remove layers!

Some Themes for this month will be

St. Patrick Rhyme Time Gardening Life Cycles Rainbows

Important Dates

Don't forget your green on 3/17 Happy St. Patrick's Day!

And tell your friends about our open house on Saturday 3/22 between 9-11am! It is always a fun morning meeting new families and showing them our happy place here at TCNSK.

Thank you for sharing your children, they are truly gifts & bring their laughter & joy with them daily! Summer will be here soon...sign up for summer camp fun at TCNSK-6 weeks to choose from!
