

March Classroom Times

Mrs. Cheryl Sharadin's M-W-F Fours

Spring will be a welcome sight after this cold, rainy, snowy winter. As the students anticipate spring and discover signs of spring, they will have many opportunities to make daily observations of the weather. Will it be a lion or a lamb day? Hopefully there will be more lamb than lion days. The children are really working hard with their letter and number writing. Many are beginning to make letter-sound connections. While reading together, see if they can locate letters in the book you're reading to them. Ask questions about the story. This is a helpful comprehension activity. Please have them continue practice writing letters and numbers at home. Give your child opportunities at home to practice their scissoring skills as well.

Things We are Learning this Month

Letters N, V, W, X, Y
Numbers 11,12,13,14,15
Discovering Signs of Spring
Dr. Seuss' Birthday (Looking for words that rhyme)
