Ms. Carmella ~ MWF & T-Th Threes Classes ~ March 2025

Look What We're Doing

Wow! February is over already, and Spring is right around the corner, I can feel Spring Fever taking over our class. The students are getting itchy for daily outdoor recess and ask if we are going out each day as we head to the hall to play.

The children will celebrate Dr. Seuss' birthday by making a giant Cat Hat and making funny things like green eggs and ham and Horton the Elephant. We will read Dr. Seuss books all month long and laugh at the silly stories he wrote. We will talk about the weather and try to catch a Leprechaun! We will observe chicks hatching and have the chance to pet and hold a baby chick. We'll make Irish Potatoes and messy Mad Science Oobleck and eat green foods, Oh my!

☺ **LUCK OF THE IRISH TO YOU!** ☺
