## THINK SPRING!

We are looking forward to spring like weather! The rain will be wonderful, as we need it to make the grass green and the buds on the trees grow. But we request rain at night so we can feel the warm sun on our faces and hear the birds chirping. I hope you can get outside and enjoy the beautiful spring weather.

We are going to be very busy learning about caterpillars, butterflies, our earth and the last two letters of the alphabet. Our time in the threes is going by so fast, I cannot believe the school year is almost at an end.

### Things to know

Please have your children wear a Coat/Jacket every day, it is very windy here in this wide-open space and we go out early in the morning, so it is still often chilly. We can always shed layers as it gets warm!

Who wants to have fun with Mrs. C at summer camp?? Don't forget to look at the weeks and sign up. It's going to be so much FUN!
