

## Classroom Times-April 2025

Ms. Heather, Mrs. C and Ms. Kim's Classes

"Parents: These are such challenging times for everyone. I know you are all doing your best to care for your children and families while providing a safe and happy environment for them to grow, play, and learn. Your children will be fine."

**Take care of yourselves, find some quiet time for YOU!**

Those were the words I wrote to our parents in 2020 and while we have seen so much progress in the 5 years since then, life may still be hard. Now that the weather is getting warmer and days are longer take the family outside and enjoy the beauty of Spring!
