SURVEY SAYS...

When the stewardship committee conducted a survey of the congregations' talents and passions there was a lot of interest in forming a Trinity committee to oversee God's creation on Earth. An initial meeting was held and a number of actions were identified where our congregation might help the area's local environment.

Council Corner

Congregational Council wants to give a huge thank to Ron and his son Kevin for the work they did to remount the Jesus statue in its new home in our sanctuary where it belongs.

It looks beautiful! It took a good bit of time and coordination to get it done but it looks great. Thanks again for your continuing service at Trinity.

THANK YOU

Trinity folks had a fun time at the Community Clean Up day on Saturday 4/12 at Limerick Community Park. Bob Graves, Karl Schafer, Karen Mendenko, Craig Moyer and his son Jeff represented Trinity and were in a team collecting litter from a tributary of the Perkiomen creek and around the park itself. The Trinity crew collected about 10 trash bags along with piping, vinyl siding, and many baseballs, softballs and golf balls! The most rewarding part was seeing all the trash removed and hearing the people at the park and in cars passing by thanking them for their help.

DINE & DONATE

Here we go again!! Come on out to the Eagleville Taphouse on Wednesday April 30th to help us earn a little money to cover expenses for the Country Fair! 20% of your food purchases, either dine in or take out all day, will be given to Trinity. Have fun with fellow Trinitarians and enjoy some good food. Bring your friends and family and the flyer for your waitress. This cannot be combined with any other offers. We hope to see you there!!

Council has formally voted to support a new "Care of Creation" committee. As a first step we are looking for one or two congregants who would be willing to chair and lead this committee. Once they are in place, the next step would be to recruit additional committee members and hold an initial planning session. One idea already put into motion is the addition of a pollinator garden which is targeted for completion this May.

If you are interested in leading this effort or have questions, please contact council members Jeff Shadle or Elaine Gross.

COFFEE HOUR HELP NEEDED

PLEASE LEND A HAND FOR COFFEE SET UP OR CLEAN UP! Open set up dates: May 4th, 11th, 18th & 24th. Open clean up dates: May 4th, 11th, 18th & 24th.

RAFFLE BASKETS

Do you have a special skill to share? Are you creative? Consider donating the skill or service for the raffle baskets at the Country Fair! You can offer your handyman skills or gardening skills and we can build a basket around that for you. What about a shore house to donate for a week or weekend? If you enjoy walking dogs, you can offer one dog walking session that we can put into a basket of dog items. We appreciate your creativity to help us to have a successful country fair this summer !!
