Ms. Carmella ~ MWF & T-Th Threes ~ May 2025

## This Year Has Been a Success and lots of fun!

It is hard to believe that we are quickly approaching the end of our school year. We have watched your little ones grow and mature over these past months, becoming more self-confident while learning new skills. They love Lil Sports & yoga classes, art projects, outdoor play and snack time. We have gone on bug hunts, bear hunts, treasure hunts and egg hunts plus nature walks and litter pick-up missions.

Since last week we've been patiently awaiting caterpillars turning into butterflies and seeds turning into flowers. We hope you and your child have enjoyed this past school year as much as we have, and we'll count the 2024 -2025 school year as a great success. Thank you for your support and partnership in your child's early education. Sincerely, Ms. Carmella ☺
