

Classroom Times Older 2s Ms. Heather, Mrs. C, and Ms. Kim

May is a month full of happy and fun endings in our older 2s classroom. We are patiently watching to see our caterpillars turn into butterflies! April Showers bring May Flowers, we hope to spend a lot of time outdoors this month looking for signs of Spring! Our classes have been fascinated by the many worms we see on our walks around the parking lot.

We will be looking closely for **BUGS** everywhere!
